

# A CELEBRATION OF *Music*

## TO BENEFIT SLOAN AND GEORGE!

Our dear friend Sloan Wainwright has been helping her husband George through a bone marrow transplant. George is doing well, feeling better and in fantastic spirits. However, both Sloan and George are self employed and unable to work at this time. All proceeds from the show will go to them, to help with their expenses. Join us for this very special show, complete with an auction with lots of great prizes and a variety of baked goodies for after the show!
